

## WALLTITE® One Closed-cell Spray Foam One Insulation. Multiple Applications.

WALLTITE® One is a high-performance, medium-density, HFO-based closed-cell SPF insulation designed for smooth, effortless application while meeting GREENGUARD Gold standards and other rigorous requirements. Ideal for insulation and air sealing in residential and commercial construction, WALLTITE One offers consistent thermal performance, lower viscosity for easier spraying, and reduced clogging for a long, efficient spray time-frame. It provides contractors with reliable yield and superior, hassle-free application year-round.

### PERFORMANCE MADE SIMPLE

#### Effortless Application

- **Consistent Performance Year-Round:** Exceptional spray consistency, even in challenging winter conditions.
- **No Hassle, Plug-and-Go:** Balanced reactivity ensures minimal adjustments.
- **Wide Application Window:** A forgiving processing range generates high-quality results with less effort.

#### Superior Workability

- **Lower Viscosity:** Less effort and easier application at lower temperatures.
- **Equipment efficiency:** Reduced gun clogs means longer, more efficient spray time.

#### Increased Efficiency

- **Minimal Adjustments Needed:** Simplifies the spraying process with less time spent fine-tuning settings.
- **Consistent, High-Quality Finish:** Provides smooth surface texture with minimal effort, reducing touch-ups.
- **Fast installation:** High lift (up to 3.5" single pass) and back-to-back applications (3.5"+3.5") with no dwell time required allows maximum efficiency on projects.

### MORE PRODUCT FEATURES & QUALIFICATIONS

- **GREENGUARD Gold certification**
  - Documented low-VOC material for improved IAQ
- **Quick re-entry time**
  - 2 hours for other trades with proper ACH
- **Low-GWP, HFO-based formulation**
- **Superior efficiency:** R-values from 7.2 to 7.5 per/in
- **NFPA 285 compliant assemblies available**
- **UL 263 Fire Resistance Rated assemblies available**
- **Intertek Code Compliance Research Report (CCRR-0374)**
- **UL Solutions Environmental Claim Validation (ECV) for mold-resistance**
- **UL Solutions ECV for bio-content and recycled content (pending)**
